“ I have no idea who she is but I am sure she was a beautiful girl! May her spirit and soul Rest In Peace! May she live forevermore in your memories, body, mind, spirits, and souls. She will be forever missed, loved, and cherished.

“ My Aunt Lili was there for me when I was young, and she helped my grandmother and mother take care of me. When I think about her, I always remember that I would try to make her laugh. She had a great laugh, and I always felt that it was my job to make her laugh. I will always think of her fondly and will miss her terribly. I love you, Lily, and I miss you!

Love, Nate

“ Lily was my oldest sister, and I cherish all the memories I have of her. Being the youngest, I remember her picking me up and holding me when our mother could not. In recent years, when she went through so much, I always reminded her that she had 3 beautiful children and grandchildren.

*Lillian Eva Val, I will truly miss you, and will always love you.*

*Love, Frankie*

“ Lili, you were my older sister and always so kind to me. I always wished that we didn't live in different states. I am so thankful to God that I was able to visit with you before you went to be with our parents and our brother.

*All my love always,  
Your sister Edna*
